

Telehealth *makes taking care of your health easier*

As your guide to better health, Buckeye Health Plan covers telehealth services to help members get the care they need, when they need it, without leaving home. Telehealth services are an easy, convenient way for members to talk with their doctor and other healthcare professionals over the phone or through the internet.

Members can earn **\$75 in My Health Pays[®]** rewards for completing their well visit via telehealth. Spend rewards on things you need at Walmart[®] or Sam's Club[®] or on rent, utilities and more*.
