

Healthchek

Healthchek services keep babies, kids and young adults healthy by finding and treating health problems early.

- Prevention services like these are very important:
 - » Physicals
 - » Hearing, vision, and dental check
 - » Nutritional screenings
 - » Mental health screenings
 - » Developmental screenings
 - » Vaccinations (if needed)

Healthchek

•

Healthchek is Ohio's Early and Periodic Screening, Diagnostic and Treatment (EPSDT) service package.

These services include a comprehensive health and developmental history to assess physical and mental health, and screenings for potential health problems – including vision, hearing, and dental screenings.

Babies, kids, and young adults younger than age 21 who are covered by Ohio Medicaid can receive Healthchek services.

(

When to schedule a Healthchek exam:

Babies: Should have at least 8 Healthchek exams by their first birthday. **Children:** should have Healthchek exams at 15,18, 24, and 30 months. **After 30 months old until age 21:** one exam per year is recommended.

Where to get Healthchek services:

Any doctor that accepts Medicaid can provide Healthchek services. Ask your doctor at your next appointment for Healthchek services. Sometimes, a provider may refer a patient to a another doctor for specialized care. Some services require prior approval.

Covered by a Managed Care Plan?

Contact your plan for more information about Healthchek services.
